

EUM Spiritual Counselling Service

Available through EvangeliSphere

Welcome,

If you're seeking guidance, prayer, or perspective, we're glad you've reached out.

EvangeliSphere's counselling support is led by Caroline Munnik, a qualified Christian counsellor devoted to helping people find peace and direction through biblically grounded, Spirit-led care. Her work reflects a calling to walk with others through life's challenges with compassion, honesty, and faith.

Important to note: Our counselling is a bridging service — not an ongoing therapy programme. It's designed to provide initial guidance and help you discern the proper next steps.

Initial contact takes place by email. Where appropriate, follow-up may continue by email or through an agreed discussion.

We believe that true healing begins when faith and wisdom meet, and we hope to help you take that first step.
