

UNCOVER God's Word

A Simple Guide for Devotional Time

? ASK

God to connect with you here. In prayer, start by slowing down, inviting God to be present. Begin with focus and openness to see what God has for you.

📖 READ

The selected section of Scripture slowly. Take note of the words and phrases that intrigue you, reading them a second time if necessary.

🕒 REFLECT

On what grabs you. What connections do you see at this point in your life? How might God be speaking to you through these words? Stop long enough to let this take root and thank God for engaging you.

➡ RESPOND

To the Scripture. Speak directly to God about what is on your mind and heart. Look for ways to live out what you have uncovered individually and with your church. Look for ways to bring what you have discovered to others.
